

The Dundas Youth Soccer Club's Annual Championship Day and Picnic will be held Saturday, September 10th at Olympic Park.

Trophies/awards for the various divisions will be presented to all the teams within that division immediately after the exhibition or championship game has been played. Coaches will present the trophies to their teams and are asked to pick up and distribute a trophy for their absent players.

Players should wear their uniform on Picnic Day whether or not they are playing, as their uniform entitles them to a hamburger or hot dog, chips and a drink. Their uniform is their food ticket!

Under 4's: U4's will play exhibition mini games starting at 9:00 am on Olympic Field 3. All players are requested to be there for 9:00 am. Trophies will be presented right there on Field 3 immediately after the games are concluded at approximately 10:00-10:30am.

Conveners – Please report to the Trophy Presentation Area upon the conclusion of your age group's championship or exhibition game. You will introduce each coach/team and the coaches will hand out the trophies to their players.

Coaches – Please ask your players to report directly to the Trophy Presentation Area immediately after their exhibition or championship game is concluded. They should line up one behind the other and be seated. Conveners will introduce the coach/team and the presentation of trophies will be made by the coach(s). Please take trophies for your absent team members but be sure of the count (last year we ran short of some trophies because coaches took too many). Plan to attend the Coaches Pickup Game on Field #1 at approximately 3:45 pm. It's great fun and a fantastic way to finish the season!

Key Things to Remember:

- Come early as parking is always tight – overflow parking is allowed along Olympic Drive despite the “No Parking” signs for Sept 10th only.
- Please leave your pets at home.
- Players must wear their uniforms whether or not they are playing, as their uniform is their “ticket” to receive a free hamburger or hot dog, chips and a drink.
- Enjoy yourself!
